

Aluminum Tool Case

Features:

- ▶ The rugged external material combined with the internal sponge ensure that even the most delicate work equipment is stored in an orderly and protected manner
- ▶ Made in aluminum
- ▶ With support feet
- ▶ Knurled finish, with rounded chrome corners
- ▶ Carrying handle
- ▶ Includes two locks with two locking keys
- ▶ Inside it's padded with wavy sponge on the upper part and pre-cut sponge on the lower part
- ▶ Inside it's customizable on the lower part thanks to the pre-cut and removable sponge that allows you to create slots adapted to the shape of the tools to be inserted
